Zadanie 2.

Tekst 1.

Man: Olivia, do you need anything from here?

Girl: Yes, Dad, a cake for Mother's Day.

Man: OK. Which one do you like?

Girl: The one with "Happy Birthday" on top looks nice. What a pity we can't change the words.

Man: You're right, but the cake with oranges and strawberries looks great, too!

Girl: Oranges aren't Mum's favourite fruit. Look at the cake in the shape of a heart. Let's get that one.

Man: Yes. I'm sure Mum will like it.

Girl: I think so too. Dad, can we also go to the shop next door and buy some fruit to decorate the table?

Tekst 2.

Girl: Gosh, it's so late. The castle closes in three hours. Why didn't we go by bike?

Boy: Because the radio said it was going to rain, remember?

Girl: I know, but it isn't raining after all. And now we are stuck in a traffic jam. All the seats are taken and we have to stand in a crowd of people. Let's get off and go the rest of the way on foot.

Boy: Forget it, it's too far to walk.

Tekst 3.

Boy: I need a toy for my little sister.

Woman: Does she like teddy bears or dolls?

Boy: Both, but she has a lot of them.

Woman: We have a special offer on building blocks.

Boy: Building blocks sound like a great idea. I'm sure she will like them. How much are they?

Tekst 4.

Woman: I take care of documents and keep them in order. I also answer the phone and send emails. I work in an office. I have a big desk with a computer on it.

Tekst 5.

Woman: Where are you, James? Are you all right? You should be home already. I've just heard on the news that there has been an accident nearby. A police car and an ambulance went down our street. I'm really anxious. Please ring me back.
